

Manpower Journal

II ISSN: 0542 – 5808

Call for Papers

Manpower Journal invites research papers for its forthcoming issues. The journal seeks original and innovative theoretical, methodological and empirical research related to various facets of labour economics, manpower planning and development in national and international context. Contributions of papers in diverse field of labour economics covering the following disciplines are invited.

- Labour Economics
- Human Resource Planning and Development
- Gender & development issues related to labour force
- Manpower and Education
- Manpower and Skill Development, Vocational Training issues
- Labour migration and its consequences
- Labour Market structure
- Status in employment specially related to marginalized sections of the society
- Demand and Supply of human resource and connected matters

In addition, researchers may also submit Notes and Comments on Current Policy issues/case study/Book review on various facets of Labour Economics and Human Resource Development.

All papers submitted to Manpower Journal will go through a double blind review process as per the standard procedures of well known referred journals. Only those papers/articles/case studies, which are complete in all respects and are duly formatted, will be considered for publication. The Journal has its own style for citation and referencing (see Guidelines). The authors are advised to stylize the citation and referencing of their paper following the journal style before submitting the paper for consideration of publication. Abstract of papers (about 150 words) with full designation and mail ID should precede the paper. Graphs, Tables and Charts must be in **gray shades and not in colour**.

It is author's responsibility to obtain permission of Copyright issues wherever required. The editorial team has the right to modify or edit the work in order to match the standard and style requirement of the journal. Papers may be submitted online at editorialmjnilerd@gmail.com.
